

Status of Competent Learner Repertoires: Level pre-1

RATING SCALE: 0 = No opportunity to observe; 5 = Repertoire mastered & performed consistently; 4 = Repertoire established but requires further development across people, places & items; 3 = Repertoire established BUT rarely performed across people, places & items; 2 = Repertoire is established but response form is ONLY approximated; 1 = Repertoire is NOT established

Note: Rate the learner's performance of each repertoire across people, places, and items; each of the three components is equivalent to 1/3 of a score (e.g., Learner would be scored a 4 1/3 if s/he performs across a lot of items but only in one place for one person. To be scored a 5, s/he would have to perform across required people, places, and items.
